Hi Brian,

I recommend starting with the Plan Area, Figure ES-2.

https://www.waterboards.ca.gov/waterrights/water_issues/programs/bay_delta/bay_delta_plan/water_quality_control_planning/2018_sed/docs/00_ES.pdf

These maps, Figures 1.2 and 4.1 in Appendix C to the SED, the Scientific Basis Report should also be helpful.

I'm available this afternoon to talk if you have follow up questions.
